What to wear:

Your river trip includes guides, rafts, paddles, shuttles and a life jacket. We can bring splash jackets and booties if you request them. Bathing suits can be worn if it is a nice hot day and/or shorts. No cotton or denim. We suggest bringing water guns for water fighting and a towel for changing later. Also, if you need to wear glasses on the river it is a good idea to have glasses holders. We will have glasses retainers for sale riverside if you forget yours. A hat with a string attached is also a good idea. See you there!
